

Pine Lodge Puppy Paks are Here!

For some time we have thought about putting together a puppy pack of things we find very helpful in starting your life out with your puppy. Our goal is to provide you with the opportunity to buy quality items, at less than retail price, that are helpful to raising a young puppy. We've done the shopping for you! We are offering two different packages: **The Pine Lodge Grooming Pak** and the **Pine Lodge Deluxe Puppy Pak.**

The Pine Lodge Grooming Pak includes:

Top Performance Concentrated Puppy Shampoo-you will love the smell of this gentle shampoo! We find it works best to dilute the shampoo in a separate mixing bottle, to make the bathing process go faster! Mixing bottle included below.

Top Performance Mixing Bottle

Master Grooming Flexible slicker brush, single- we think this is one of the better brushes out there for grooming you pup.

Master Grooming Flexible slicker brush, double-Get the brushing done quicker with the double brush. Use this on the body and rear legs.

Rubber firm brush-This is a great brush to use when washing your pup. It massages the puppy while helping to clean.

Master Groomers Greyhound Comb face/finishing- we recommend using this on your puppy's face. Also, use the wider side to test if you got all mats out.

Master Groomer Nail Scissors- keeping your puppies nails trim is important for good health.

Ear cleaner- floppy, hairy eared puppies can get dirt and yeast build ups. This can cause serious ear infections. By cleaning your puppy's ears a couple times a month, you can just about eliminate that problem.

Ear powder- This powder helps to make it easier to remove unwanted ear hair. This is important to do so that air can circulate and ears can be healthy.

Blunt nose scissors- Love these scissors. We use them to trim around the eyes, safely. Also trimming the feet in between grooming.

The retail cost of this package is \$150. Our price to you is \$95. This package can be shipped to your home at no extra cost

The Pine Lodge Deluxe Puppy Pack includes everything in the Grooming Pak, as well as the following:

Two Dog Bowls- classy on the outside and stainless steel for easy cleaning on the inside.

Ex-pen with a door- 24" high- oh, the many uses of these pens! A play pen, a gate into a room, block off things you don't want puppy to get into, a mini outside yard... the ideas are endless. We find the ex-pen indispensable!
